made of record in the application.	and	nability when it is not cumulative to information already of record or being

⁽²⁾ It refutes, or is inconsistent with, a position the applicant takes in:

(i) Opposing an argument of unparentability relied on by the Office, or

(ii) Asserting an argument of parentability.

A prima facie case of unparentability is established when the information compels a conclusion that a claim is unparentable under the preponderance of evidence, burden-of-proof standard, giving each term in the claim its broadest reasonable construction consistent with the specification, and before any consideration is given to evidence which may be submitted in an attempt to establish a contrary conclusion of patenmblilty.

If no priority is claimed, I have identified all foreign patent applications filed prior to this application:
